Dear Teymuraz:

I am referring to your memo of July 3, 1956 to Mrs. Tomashevsky, the copy of which was forwarded to me by Tatiana.

I would like very much to know just from where you deduced that I said that Zakaria and Soobzokoff were one and the same person? To quote my letter to you of 18 November 1955: "I have heard that Zakaria was a close friend of Tcherin Soobzokoff, who appears to me more and more questionable." This obviously means that I know exactly who each person was. As regards my numerous requests to Headquarters Munich: Ltr. No. 1024/56/Subject, I presume copies of them were forwarded to you.

Cable 991/56; 525/56 requesting further information on this

I am enclosing also a copy of the letter from the American Consulate from Amman, and would ask you most urgently to send us a statement on the subject which I could present to the Vice-Consul. You will of course realize that your memo to Tatiana could hardly serve the purpose.

As regards para. 3 of that statement about Arab newspapers commenting negatively on USA emigration, it looks very much as if it is another planted rumour, by the same Soobzokoff, and I would refer it to the appropriate authorities.

Sincerely yours,

Alexis (Hangel)
